The West. A dispatch from Campo to San Francisco says that an armed body of Mexicans advanced on the town. Business was suspended, the people put under arms, and sentinels stationed. At ten in the morning the Mexicans approached, but on being apprised of the preparations for defense, retired. Armed citizens arrived from San Diego. If troops are not soon forwarded the place must be abandoned. People were arriving daily at Tucson from Sonora, and report it imposible to remain in that Strate and preserve

property. A San Diego dispatch says a gentleman from Yuma reports a great gathering of Mexicans along the border, and a large eamp of them in Treate Valley. Well-ined parties think either a raid across the border or a revolution in Lower California is intended. Manuel Rojo, ex-Governor of Frontra, has suddenly disappeared from San Rafael. Antonfo Sorso, recently reported murdered near Campo, was one of his supporters. It is reported many Sono-ran revolutionists are driven into Lower California. A man who came in on the 16th counted sixty camp-fires near Campo. He says another attack on Campo is immi-

Revenue officials have discovered an underground distillery for the manufacture of crooked whisky, on the Arkansas river, about five miles above Pueblo, Colorado. The outlet was discovered by Deputy Col-lector Pierpont, United States Gauger Frank A. Cave, and Deputy United States Marshal David Lynn. The distillery was in full

uary 1st was effected, and a resolution

Resolved, That we, the millers of the Northwest, in convention assembled in Chicago, representing convention assembled in Chicago, representing eventy-six mills, with a minimum capacity of 12,000 barrels, and a maximum capacity of 15,000 barrels of flour per day, do most earnestly protest against the last advance of freight of from 80 to 90 cents per the isst advance of freight of from 80 to 90 cents per borriel on flour rates. It is the hast straw that breaks the camel's back. We also protest against the rail-road companies discriminating in favor of wheat against flour, as being unjust, and we sak the ruil-roads to recode 10 cents per barrel from their present flour rates, and place flour rates always on an ever

eligible to re-election. A resolution directed the Committee on Military Affairs to inquire into the expediency of reducing the regular army to 10,000 men, or to such num-ber as will insure efficient public service at an expense not exceeding \$20,000,000 yearly.

A resolution asking for correspondence having reference to the dismissal of ex-Sentor Henderson was laid over. Mr. Randall offered a resolution directing the Secretary of the Treasury to transmis copies of all let-ters, telegrams, orders and instructions re-lating to the organization and prosecution of the present movement against the whisky ring at St. Louis, Chicago and Milwaukee.

Laid over.

DECEMBER 9.—Senate—A large number of memorials asking the appointment of a commission to inquire into the manufacture and sale of intoxicating liquors, were presented, and referred to the Committee on Finance. Mr. Morton (Rep.), of Indiana, submitted the following resolutions:

WHEREAS, It is alleged that the late election in Mississippi for members of Congress, State officers, and members of the Legislature, was characterized by great frauds, violence and intim dation, whereby the freedom of the ballot was in a great measure destroyed, a reign of ferror established, ballot-boxes stuffed, etc., so that a popular majority of more than 25,000 was overcome, and in its place was given an apparent, but fraudulent, mejority of more than 25,000; and
WHEREAS, The Legislature thus chosen will have an election of Senator to represent that State in this bedy; and

warman, the Legissature inthe chosen will have an election of Senator to represent that State in this bedy; and Whereas, If these allegations are true, a great number of the citizens of the United States have had their rights under the Constitution and laws of the United States wickedly violated, therefore, Resided, That a committee of fare Senators be appointed by the Chair to investigate the truth of said allegations and circumstances attending said election, with power to visit said State to make their investigation, to send for persons and papers, and to use all necessary process in performance of their duties, and to make a report to the Senate he-fore the end of this session of their investigations and findings.

At the request of Mr. Bayard (Dem.), of

At the request of Mr. Bayard (Dem.), of Del., the resolution was laid over until to-morrow, and it was ordered printed. Mr. Stevenson (Dem.), of Ky., submitted the following resolution:

Resolved, That the Secretary of the Treasury be and he is hereby requested to transmit to the Senate copies of letters, telegrams, orders and instructions relating to the organization and prosecution of alleged infraction of internal revenue laws at St. Louis, Chicago and Miwaukee, if not deemed incompatible with public interest.

This resolution occasioned a long discus-This resolution occasioned a long diseas-sion, and was finally withdrawn. Mr. Cooper (Dem.), of Tenn., gave notice that Tuesday next he would ask the Senate to consider the resolutions commemorative of the life and services of his late colleague, Andrew Johnson. Mr. Morton submitted the following concurrent resolutions:

the following concurrent resolutions:

Resolved, By the Senate, the House of Representatives concurring, that the people of the United States constitute a nation—are one people in the sense of fraternal unity.

Resolved, That the Government of the United States is not a coimpact between States in their municipal and corporate characters, but was formed by the people of the United States in their primary capacity, that the rights of the States are defined and guaranteed by the Constitution, and not by any outside theory of States overeignly, and that the rights of the States can not be enlarged or diminished except by an amendment to the Constitution.

minished except by an americane states have the same sanction and security in the Constitution as the rights and powers of the National Government, and that local domestic government by the States within the limits of the Constitution is an essential of our free republican system.

Resolved, That the doctrine that a State has the right to secode from the Union is Inconsistent with the idea of nationality, is neothict with the spirit and construction of the Constitution, and should be and construction of the Constitution, and should be regarded as having been forever extinguished by the suppression of the reballion.

Mr. Morton (Rep.), of Ind., asked to have the resolutions printed and laid on the table, and it was so ordered. He gave notice that at some future time he would call them up for action.......... House—Resolutions were ommittee on Banking, Resolutions adopted: Committee on Banking. Resolutions adopted: Calling for a statement of the expenditures and working of the Quartermaster-General's office since General Meigs absence; abolish-ing the Freedmen's Bureau; against grant-ing subsidies of any kind to corporations; opposing a Presidential third term. The last two resolutions were carried by a heavy-vote. A resolution was presented and referred, favoring the abolition of National banks, and the substitution of greenbacks. banks, and the substitution of greenbacks.

Cox (Dem.), of New York, offered the following resolution, which was agreed to:

Resolved, That the Committee on Foreign Affairs inquire into and report on the expendiency and justice of giving to the German Empire the notice required by the fifth article of the treaty with the North German Empire, signed February 22, 1579, for the termination of adid treaty or so such thereof of the protocol of June 12, 1871, as related to tettizens of the United States, and their renunction of naturalization and their political condition Germany under said protocol.

Power of the Hands. Many mothers pass their lives in rea ing their families, giving medicines co entiously, sparing no needful expenand yet never know what a power the are in themselves. For instance, fe and over the lungs of the child, flatly, in the form of a poultice, and acting quite as effectually and quickly as any poultice or liniment. This, with warm covering the convert is the average choirthe mother's body, has reli i cases where children had taken a little cold, without disturbing others or the either. It is not well for a child to be hurried out of bed when it begins that croupy cough, often breathing cooler air, which is always bad for that peculiar disease. We only wish to say to mothers, you know not what power your own hands possess until you have tried them on pains and early symptoms of croup. Those to whom these remarks are now addressed will be astonished at

the result of these influences upon the patient. useful agent should be so abused as this has sometimes been, by imposters, claiming that it was the power of some old In-dian doctor, or some other long-deceased person, while the rubbing slowly with the hands of a friend over a person in distress produces almost a magical effect. Perhaps we should not be astonished that some are so superstitious as to attribute this power to some spirit agency, when they do not know that almost every one could exercise this faculty, if they would, on their sick friends; but, nevertheless, we are greatly astonished when we see others, who in other respects are intelligent, claiming a supernatural agency for such appliances. course the power is more or less great, as the person or nurse possesses more or less of magnetism, and is more or less sooth-

ing and sympathetic.
Try this, mothers, when the first coughing comes on, and many times you need not take the child out of bed. Rub the throat and lungs well so as to pro-duce-good circulation when you remove the hand. Chronic pains of adults, in back, side and shoulders, are often greatly relieved by the gentle rubbing with the hand of a friend, who should be a little careful not to have both hands touch the invalid at the same time;

A Cave, and Deputy United States Marshal David Lynn. The distillery was in call operation when the officers arrived, but the two principal owners, O. O. Pinckney and John T. Hall, secaped. Wm. M. Busard, upon whose lead the distillingility was located, has been admitted to bail in the sum of 10,000.

SCHENCE'S MANDRAKE PILLS
Will be found to possess those qualities necessary to
the total eradication of all bilious attacks, prompt
to start the secretions of the liver, and give a healthy
tone to the cutive system. Indeed, it is no ordinary
discovery in medical science to have invented a all the feaults produced by a heretofore free use of calomet, a mineral justly dreaded by mankind, and acknowledged to be destructive in the extreme to the human system. That the properties of certain vegatables comprise all the virtues of calomet without its injurious tendencies, is now an admitted fact, rendered indisputable by scientific researches; and those who use the Mandrake Fills will be fully actisfied that the best medicines are those provided by nature in the common herbs and roots of the fields. These pills open the bowels and correct all bilids These pills open the bowers and correct all following derangements without salivation or any other of the injurious effects of calound or other poisons. The secretion of the bile in promoted by these pills, as will be seen by the altered color of the atools, and disappearing of the sallow complexion and cleaneding of the tongue. Ample directions for use accompany each box of

pills.

Prepared only by J. H. Scheuck & Son, at their principal office, corner Sixth and Arch Streets Philadelphia, and for sale by all druggists and dealers. Price, 3) cents per bex.

DANDRUFF. I have used less than a bottle. The dandruff and the irritation which caused it, have entirely disap-peared, and my hair was never before in so good condition.

BALDNESS. Since the recent use of your "Coccaine, viously hald head has been covered by a

viously hald head has been growth of hair. I had always esteemed your preparation as a dressing, knowing many persons who regarded it very highly as such, but never before knew how valuable it was as a restorative.

J. G. LEWIS. LOSS OF HAIR. BANGOR, March 3, 2868.

Your "Cocosine" is the only dressing for the hair used in my family for the last eight years. It not only stopped my wife's hair from coming out, but increased its growth. I am also under obligations to this same "Cocoaine" for saving my own hair, which was very fast coming out previous to using this valuable preparation.

J. C. MITCHELL.

IBRITATION OF THE SCALP. WATEVILLE, ME, Sept. 15.

I purchased a bottle only, for the purpose of a had dressing, but, to my surprise, it has entirely remove the irritation of so long standing. I have recommended it to several of my friends, who were afflict in the same way, and it has wholly irradicated the disease.

JOSEPH HILL, Jr.

For some time past I have been using your Coxine, and think it far preferable to anything I have rused for the halt.

FRANK LESLIE. JOSEPH BURNETT & CO., Bostor Manufacturers and Proprietors, VALUABLE INFORMATION.

Gentlemen—My only object in giving you this testimonial is to spread valuable information. Having been badly afficied with Sait Rheum, and the whole surface of my skin being covered with pinples and eruptions, many of which caused me great pain and annovance, and knowing it to be a blood disease I took many of the advertised blood greparations, among which was any quantity of Sarsaparilla, without obtaining any senedit, until I commenced the first bottle, I saw that I had got the right medicine, Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man, and my skin is smooth and entirely free from pinples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of Vegretice. To benefit those afflicted with Rheumatism, I will make mention also of the Vegretine's wonderful power of curing me of this acute complaint, of which I have suffered so intensely.

C. H. TUCKER, Pass. Ag' Mich. C. R. R.,
29 Tylor Street, Beston.

Has Entirely Cured Me.

SGREW

WIRE

Mr. H. B. STEVENS—Dear Sir: My daughter, after having a severe attack of whooping cough, was left in a feeble state of health; being advised by a friend, she tried the Vegetine, and, after using a few bottles, was fully restored to health.

I have been a great sufferer from Rheumatism; I have taken several bottles of the Vegetine for this complaint, and am happy to say it has entirely cured me. I have recommended the Vegetine to others, with the same good results. It is a great cleanser and purifier of the blood; it is pleasant to take, and I can cheerfully recommend it.

JAMES MORSE, 364 Athens Street,

NO TROUBLE SINCE USING VEGETINE. CHARLESTOWN, October, 1876

This certifies that my daughter has always beer troubled with a humor, which has caused frequent swelling on her face and about her eyes. Physician called it the Erysipolas; but after having taken two bottles of the Vegetine, has not been trouble with it since.

Charlestown, Mass.

Dr. TU-SEE says: "It is unnecessary for me enumerate the diseases for which Vegetine shot be used. I know of no disease which will not aim of its use with good results. Almost innumeral complaints are caused by poisonous secretions the blood, which can be entirely expelled from trystem by the use of the Vegetine. When trystem by the use of the Vegetine. When trystem by the use of the Vegetine. When the blood is perfectly denance, the disease rapid yields; all psins crass, besithy action is prompt restored, and the patient is cured."

The remarkable cures effected by Vegetine has induced many physicians and apothecaries whom know to prescribe and use it in their own families. In fact, Vegetine is the best remely yet discovered, and is the only reliable MLGOOD PIRIFIE yet placed before the public. Sold by all Druggi and dealers curywhere.

NATURE'S GREAT REMEDY." This Cordial is a CERTAIN CURE for Coughs, Colds, Inflammation of the Lungs, Sore Throat and Breast, Brenchi-ils, and if taken in time, will arrest that of the Pine Tree, the medicinal proper-ties of which are well known. With this powerful element are thoroughly incor-porated several other vegetable ingredi-cits, each of which possesses southing and healing attributes, thus making it the most POTENT ANTAGONIST to all diseases of the pulmonary organs that has yet been introduced.

DR. L. Q. C. WISHART'S PINE TREE TAR CORDIAL Is not a new remedy that has never been heard of before, but an OLD, RELIABLE, AND WELL-TRIED medicine that has been in daily use by families and intelligent physicians for the last sixteen years, and is spoken of in the highest terms by all who have used it, as then-ands of UNSOLICITED TESTING.

NIALS prove.

If you suffer from any disease for which this Cordinal is recommended, we unhesticatingly say: "TRY IT, WE INOW IT WILL DO YOU GOOD." A single bottle will demonstrate its valuable qualities.
